Recycling at Highland Court

People have been placing their normal domestic rubbish in the recycling bins. When this happens Redbridge Council can refuse to take it and we then have to arrange for it to be emptied by a private company.

Do not place domestic rubbish in the recycling bins pictured below.

We've recently arranged for a second cardboard/paper bin.

We now have added labels to the top of the recycle bins to make it clearer what can go in to each one.

Normal domestic rubbish should be placed in one of the six bins located in the two bin sheds. Please also ensure the bag is tied up before throwing your rubbish away.

Thank you

Highland Court (Woodford) Limited
