Carpet cleaning and food in the garages

Carpet Cleaning

Please note that a firm is visiting the site on **Thursday 1st September** to professionally clean the carpets in the communal hallways.

Everything must be removed from the hallways including shoes, doormats, bikes, scooters and prams. The firm will touch or remove anything so please ensure everything is cleared before Thursday.

Rats and food in the garages

Rats have been found at the rear of the site by the garages. When inspected, food had been stored in one of the garages which had attracted the rats.

Please ensure food is not stored in the garages.

Thank you
